

**Quest Hockey Simulation**  
**Pre-Play of the 2009 Conference Finals and Stanley Cup Finals**

**Eastern Conference**

Pittsburgh defeats Carolina 4 games to 3

**Western Conference**

Detroit defeats Chicago 4 games to 3

**Stanley Cup Finals**

Pittsburgh defeats Detroit 4 games to 2

I played each series only one time, so this might have come out differently if I ran multiple series and then averaged out the wins and losses.

The entire stat package (including all box scores) is contained on the following pages. Malkin is the MVP, with Fleury a close second. We also had a triple overtime game in the finals; won by Detroit to help them avoid a possible sweep.

## 2009 Pittsburgh Penguins - Simulation Statistics
